Object : **FEMALE CUP - Invitation**

European Clubs,
European Federations,

The suspension of competitions, caused by the pandemic Covid-19, still alive in our lives and all in our countries, resulted that the TELECABLE HOCKEY CLUB (CLUB PATIN GIJON SOLIMAR) did not obtain a position in the classification to qualifying and participate in Europe oncoming season. We believe that this pioneering team in women's hockey, already active club every year in the European Competitions, this year can't stay out of Europe. It seems unfair that it can't be accepted by these special circumstances, not least because this Club qualified for 2019-2020 Final Four of the Female League Cup, which wanted to organize the final, as it has done several times, with an amazing success of public and organization.

So, in the face of all the above, but also with the sense of supporting a greater number of women's teams in these competitions, in order to increasingly rink hockey and women in particular, this European Committee has made the decision to invite the TELECABLE HOCKEY CLUB (CLUB PATIN GIJON SOLIMAR), for its level, category and success in the years, to be inserted in the competitions of the FEMALE LEAGUE CUP 2020 / 2021, in addition to the four teams already pre-registered from the Spanish Federation.

Best regards,

Agostinho Silva
