

OFFICIAL COMMUNICATION

58 / 2020 - 2021

To : European FEDERATIONS
c/c : WS Europe - President - Mr Fernando Claro
From : WS Europe Rink-Hockey - Chairman

Object : **PRE-Registration of clubs in EUROPEAN Competitions**

As in some countries, there can be no national competitions conditioned by the still pandemic of COVID-19, in others it was possible to make their national championships almost normally, and that already have national champions in the most diverse categories, but also because it is considered necessary to start knowing who are the clubs that intend to play the competitions in Europe.

Thus, the attached is sent the file to a PRE-Registration (*Formulary_Provisional_Inscription*), which is requested that by **July 15, 2021**, the clubs concerned, must reach this committee, to the following e-mail addresses, as below:

agostinho.silva@wseurope.rinkhockey.org
catia.ferretti@wseurope.rinkhockey.org

Only after being received until the above day, can it be determined which competitive model for each competition (EUROLEAGUE, WS EUROPE Cup and FEMALE LEAGUE Cup), and thus, later, the clubs and only these, to confirm or not, their FINAL and binding registration, with date to be determined later.

If there are still teams / federations with ongoing competitions and need to know what quotes, they should consider the values of the current season, because the current one is not yet closed, although the missing competition (CONTINENTAL Cup), will not make major changes in the ranking order, simply in nominal values.

However, as this is a consultation to know which possible clubs may come to sign up, if in some case and in the face of the ranking / quotes, some club can't be accepted, it is a normal compliance with the registration rules.

Best regards,

Agostinho Silva
WSE-RH - Chairman
