

**OFFICIAL COMMUNICATION**

**63** / 2020 - 2021

To : European CLUBS  
European Federations  
c/c : WS Europe - President - Mr Fernando Claro  
From : WS Europe Rink-Hockey - Chairman

Object : **RANKING (Countries / Clubs) / QUOTE**

- 1 - With the opening of pre-registrations, and as the CONTINENTAL Cup is also part of the calculations for the final ranking of the season, but this is only held on 18 and 19 September 2021, it is mandatory to inform what the current situation is in relation to the tests already held and included in calculation (EUROLEAGUE and WS EUROPE Cup) , so this ranking is provisional, becoming definitive only after the CONTINENTAL Cup, with recalculation and to publish again.

It is reported that the calculations included the EUROLEGUE and WSEUROPE Cup clubs, which although the registration was registered and settled, but subsequently gave up on continuing, they were awarded the minimum score, depending on the test and as listed below:

**EUROLEAGUE** - 15 points  
**WS EUROPE Cup** - 3 points

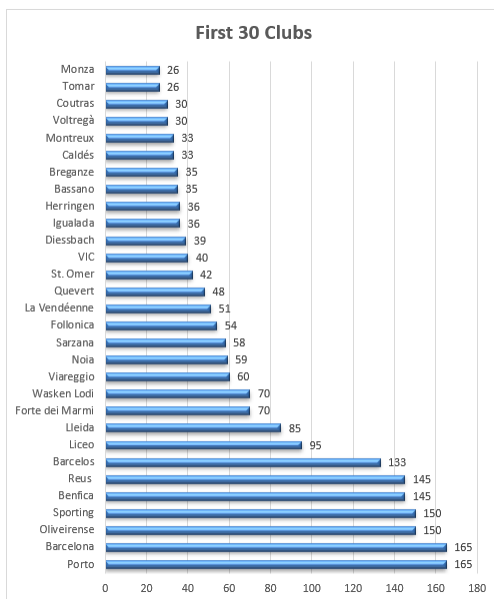

- 2 - It was decided at an ordinary meeting of this WSE-RH committee, which for the 2021/2022 season, female league cup competitions, also enter the rankings calculations, which until now was not considered.
- 3 - Accumulated score with the last four active and in-review seasons, for the participating clubs and countries.
